INTRODUCTION

1. Over the past 5 months the 5 Div Orienteering League has been contested at various locations throughout the 5 Div AOR. The League is now complete and therefore it is possible to publish the results. Notwithstanding the difficulties associated with the geographic spread of units within 5 Div, the league can be deemed as a success. In all, 23 different units were represented and some 242 soldiers took part, albeit some only once. The league was run in accordance with References A-C.

RESULTS & PRIZES

2. The final results (both unit and individual) will be posted on the British Army Orienteering Club (BAOC) Website www.baoc.org.uk. However, a breakdown of unit positions and Individual prize winners sub-divided by BOF Class categories is at Annex A. Prizes will be distributed to all those units and individuals annotated at Annex A. COs are requested to present the trophies and medals at an appropriate occasion.

QUERIES

3. Any queries regarding this letter or the 5 Div Orienteering Championships in general should, in the first instance, be directed to the undersigned.
