EXERCISE SHREWD RUNNER 2006  
TA ORIENTEERING CHAMPIONSHIPS 2006  
RESULTS

General

1. Exercise Shrewd Runner took place over the weekend 8<sup>th</sup> – 9<sup>th</sup> April 2006 at Catterick Training Area. The championships were organized with the individual event on Saturday the 8<sup>th</sup> April on areas 1A and 1B with the relays the following day on area 3.

Courses & Areas

2. Areas used for the championships were not technically difficult but in parts physically demanding. On reflection it is believed that the A Course on day one was a little short for the type of area used.
3. Both areas were mapped by Major (Retd) Drummond of the AOA and maps were of a very good standard.

Results

4. Attached are the detailed results for both days. The following are the main results:-

## Conclusion

4. Many thanks to all units who took part in the championships. Although the weather was best described as strange, all competitors (but one) seemed to maintain their enthusiasm for the championships.
5. Next year the championships will move to the South of England. Good running.
